Arizona State Genealogical Society
Surname Database Submittal Form

This is a service to ASGS members only.

Fill in the information below for the surnames you are researching and send it to the Society or bring it to the monthly meeting so that it can be added to the Surname Database. The database is available to be viewed by all Society members at the General Meetings.

Please provide the following contact information. Other Society members researching common surnames will use this information to contact you. Read our privacy statement for further information.

First Name _____

Last Name _____

Member Number _____

Home Phone _____

E-mail _____

The remainder of the form is to enter each surname you are researching and the location for that surname. Please use the 2 digit state abbreviations in order to fit more locations in one line. For example if you are researching the surname Watson in Indiana, Kentucky, Ohio and Germany, you would enter the locations as "IN, KY, OH, Germany." Enter an "A" if you wish to *add* a name or a "D" to *delete* a name in the column to the left of the surname.

Add/Delete	Surname	Location(s)

Bring the completed form to the next ASGS General Meeting or mail it to:
